promptoem.

TO ALL TEACHERS THROUGHOUT THE UNITED STATES.—The obseriber has published his System of Penmanship for Schools and Academies in three parts, A, B, and C, with copies and instruction. This system has been taught by the antinor at his Academy in New-York during the last fourteen years with unexampled success, and has never before been farnished to other schools. Every letter contained in the system, including the covers, is a beautifully engraved fac simile of the author's own handwriting. All cories have printed directions under each line, and the whole work is believed to be a complete teach-yourself system of writing. The books are manufactured of the finest quality of paper, and sold at \$1\$ per dozen, or \$1\$ per gross. All orders should be directed, postpaid, to
